MERCURY VERADO V10 ENGINE OPTION**

SIMRAD

The dashboard is divided into several functional areas:

- Map (Left):** Displays a detailed chart of The Solent, including locations like Southampton Water, Eastland Creek, and Stanswood Bay. It features various navigational markers and depth soundings.
- Audio (Left):** Shows the current track "Radar Love" by "Salty Dogs" with a progress bar at 1:33. Includes playback controls (play/pause, previous, next) and a volume slider.
- Engines (Left):** A vertical menu with an engine icon and the label "Engines".
- System Status (Top Right):** Displays four voltage readings of 13.4 VOLTS, a "System OK" indicator with a green checkmark, and the time 11:20. Includes icons for signal strength and Wi-Fi.
- Gauges (Center):** Two large circular gauges for engine RPM, both showing 2800. A central speed gauge shows 34.1 MPH. A fuel gauge below shows 76.5 GAL.
- Trim (Bottom):** A trim control section with "TAB 20%" on both sides and a central "TRIM" section with a value of 4.5 and a boat icon.
- Navigation (Right):** A vertical sidebar with icons for a compass, a red emergency button, a gear settings icon, and a notification icon.

**Welcome to our stand,
Monday 23rd January, 15:00 – 16:00**
