FEATURE HIGHLIGHTS

- The most modular boat ever built.
- Purpose-built for onboard comfort, socializing and liveability.
- Industry-leading drivability and peerless seakeeping.
- Reimagined hydrodynamics and balance for effortless control and agility.
- Optimized strength to weight by overbuilt stringer system to ensure rigid structural integrity.
- Extensively engineered noise reduction solutions for added comfort onboard.
- Tailored for year-round operation extending seasonal use and maximizing time on the water.
- Benchmark for class-best value and versatility.
- Functional purity without distraction of gimmicks and superficial complexity.
- Refined, functional design with great attention to details and meaningful innovations.
- Made for boaters by boaters with obsessive focus on constant improvements.

Bow

- Wider bow for improved walk-through.
- Forward facing sofa layout as standard.
- Powerdome design on couch roof with integrated skylights.
- Optional all-new U-sofa layout with storage and table, transformable to a sun lounger.
- Optional forward-facing sun lounge with storage underneath.

Front Cabin

- Combined lounge sofa and bed solution with reclinable backrest for extended usability of the front cabin.
- Increased headroom and standing height.
- Kitchen module with sink and faucet, five drawers and space for fridge and coffee machine.
- Cupboard with two shelves and space for microwave.
- Optional fully enclosed toilet compartment with privacy enclosure and optional shower.
- Optional gullwing access doors with portlights.

Wheelhouse

- Reinterpreted wheelhouse seating layout with twin sofa configuration and table.
- Efficient use of space optimized for improved walk-through and extra wide sliding doors.
- Pilot seat base with two rotating helm seats, trash bin, and optional refrigerator.
- Optional driver's sofa with flip-up bolsters and reversable backrest.
- Optional U-sofa configuration convertible into a day bed with electric hi-lo table.
- Optional openable aft window (manual or electrical) – connecting the wheelhouse to aft deck.

Aft deck

- All-new modular storage solutions for fender boxes ranging from full-size storage to wet bar or bench seats.
- Modular options for aft deck ranging from aft-facing sofa, wet bar to aft cabin.
- Optional foldable activity platforms with manual operation.
- Splashwell cover for extending aft deck space.

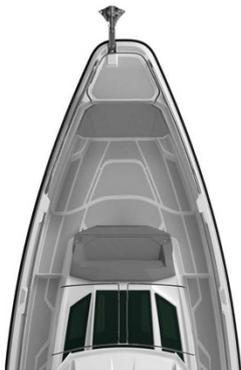

General

- Improved air-conditioning and lithium power bank solutions.
- Optional integration between Mercury JPO system and bow thruster.
- Optional Burnewiin gunwale mounts, enabling a variety of accessories with quick attachment.
- Large fuel tank capacity of 830 liters allowing extensive cruising range.
- Optional gyroscope integration.
- Spacious, smart storage solutions throughout the boat.

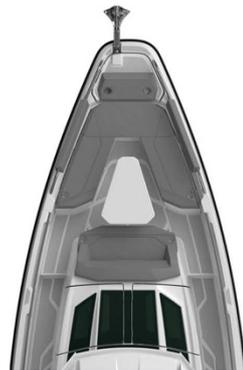

Upholstery options

- Exterior: Silvertex Petrol, Silvertex Hunter, Mediterrana Antracite, Mediterrana Taupe.
- Interior: Basecamp, Monterra.

LAYOUT ALTERNATIVES FOR BOW

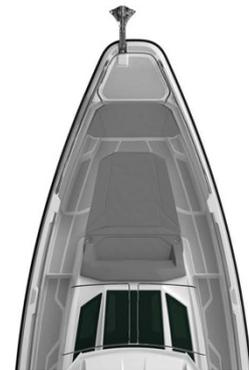

Standard forward-facing sofa + bow seat with storage.

Optional U-sofa package with removable table and storage underneath, backrest cushions, anchor locker cushions with cupholders, and sunbed infill.

Optional U-sofa package with removable table and storage underneath, backrest cushions, anchor locker cushions with cupholders, sunbed infill, and Mediterrana Edition.

Optional sun lounge with storage compartment inside.

Optional windlass shown on all images.

LAYOUT ALTERNATIVES FOR FRONT CABIN

Standard configuration with pentry module and hidden toilet.

Optional enclosed toilet compartment, wardrobe module.
Separate options shown.

LAYOUT ALTERNATIVES FOR WHEELHOUSE

Standard aft sofa with bench seat, fixed table leg, and two rotating helm seats.

Wheelhouse lounge option which turns the standard arrangement into a U-sofa. The table can be electrically lowered and converted into a large day bed by utilizing the included infill cushion.

Wheelhouse lounge option combined with driver's sofa, enabling a large day bed.

Standard sofa layout and driver's sofa with flip-up bolsters and reversable backrest. Bar cabinet on portside wall.

LAYOUT ALTERNATIVES FOR AFT DECK

Standard open aft deck with large fender boxes and fixed hull sides (available September 2026).

Optional aft-facing sofa with storage, fender box wet bar with top-loading fridge (30L), sink, tap, trash bin, activity platforms, starboard bench seat with fender storage, and engine frame.

Optional wet bar with top-loading fridge (32L), sink and tap, storage and trash bin.

Optional aft cabin, activity platforms, starboard and port bench seat with fender storage, and openable aft window.
