OUR COMMON MISSION

"THE ADVENTURE COLLECTION was born of a shared passion; an unbounded love for the natural world and an unwavering belief in the power of exploration. It embodies the ethos of Axopar, Sail Racing, and JOBE; three companies that strive for innovation, respect the elements, and inspire their communities to discover new perspectives.

This unique collaboration transcends the ordinary, offering a premium line of products that resonate with a spirit of adventure and freedom. It invites explorers, dreamers, and innovators alike to experience extraordinary moments and unlock boundless possibilities, both on the water and beyond.

Our mission is to enrich lives by sparking curiosity, fueling passion, and empowering individuals to venture into the vastness of their worlds. We offer not just products, but symbols of exploration, with each item in the collection representing a testament to our dedication to continuous innovation and our commitment to enabling inspiring moments in our customers' lives.

The Adventure Collection is not just about owning a piece of gear or apparel; it's about embracing a lifestyle, championing a community, and joining a movement that celebrates exploration and the freedom to chart your own course.

Join us in this journey as we strive to redefine adventure, inspire exploration, and UNLOCK THE EXTRAORDINARY."

A Complete Solution for the Adventurous Boater

The Adventure Collection is more than just a product range; it's a fully integrated lifestyle offering. The collection offers a wide range of on-water gear and clothing designed around the newest Axopar 29 boat range. The Adventure collection is a cohesive family of products where every detail is aligned — from the colors and materials to the features and functionality.

From an inflatable two-person kayak, underwater scooter and stand-up paddleboard to a floater vest, cooler bag and waterproof dry bags, the Jobe watersports range offers premium equipment designed to enhance every adventure on the water. Each piece of the gear has been designed with practicality and durability in mind.

Our high-performance clothing line is developed and designed in collaboration with Sail Racing, renowned for its innovative and technical gear designed for high-speed sailing. These clothes are tailored for functionality, comfort, and resilience, offering boaters a complete set of products for all types of adventures. Aimed to withstand the elements while reflecting the spirit of exploration and freedom, Axopar's functional clothing line features rugged, stylish garments such as waterproof jackets, vests, versatile hoodies, t-shirts, pants, shorts, caps, and functional bags — all crafted for both style and durability.

CREATE AMAZING MOMENTS WITH LOVED ONES.

We take you there.

ADVENTURE SUP BOARD 11.6

PRODUCT SPECIFICATIONS

Perfect speed and manoeuvrability, with a nose rocker cutting through the water like a hot knife through butter. Designed to float easily and glide over flat water in a stable though fast manner: the Adventure SUP shape supports all experienced riders. It's manufactured using industry leading techniques like innovative drop stitch technology. This construction - we engineered the board with an inside of thousands of nylon threads - gives our paddleboards their strength without making compromises on lightness. A strong and solid base cloth holds the nylon threads together and gives the board its unique shape. Two layers of drop stitch reinforcement, together with a PVC-coated nylon base, ensures durability of the board.
